

Preconference Tour Compost Facility Tour

Compost Facility Tour - 8am to 5pm. Tour Florida's Commercial Compost and Biochar Facility - Sunshine Compost! Having recently received a \$4.9M grant from USDA to expand its composting efforts, attendees will see and learn first-hand how Sunshine Compost collects, processes and returns food, agricultural and forestry waste into nutrient-rich compost and biochar. This is a must-see facility with speakers from Apple Rabbit Compost and University of Florida/IFAS Duval County. Tour leaves Daytona and stops in St. Augustine, Florida for tour of St. Augustine Alligator Farm and early lunch and continues to Jacksonville, Florida. (This tour will have limited seating.)

Fee: \$176 for USCC members, \$242 for nonmembers

Duration: 8 a.m. to 5 p.m.

Date: February 6th 2024

CCOM™/CCP™ PDHs: TBD
